V-COMM Introduces new CFO / V.P. Business Services

Cranbury, NJ (August 20, 2003) – V-COMM, a leading telecom-engineering firm, recently named Steven Falcone, CPA, as its new CFO/VP Business Services. Falcone’s role is to help expand V-COMM’s services to its clients by offering “back office” consultation in billing, administration, contract negotiation, fraud prevention and management.

Our clients are the real winners. With 20+ years of experience in finance management for both the public and private sector, Steven brings a new dimension to V-COMM’s Business Services Division and all of our clients and partners have the opportunity to take advantage of those skills.” said Dominic Villecco, President of Founder of V-COMM.

Before joining V-COMM, Falcone served as the Controller for the Philadelphia Federation of Teachers where he was responsible for reporting all financial information to the executive board. He also had direct oversight of personnel issues including hiring and training. Falcone also served as Controller for Abrahams & Lowenstein, a law firm Philadelphia.

V-COMM, a leading provider of nitrated network engineering, radio frequency engineering and business services, delivers needed expertise and cost effective solutions for wired and wireless operators and vendors. Company executives are sought-after expert witnesses providing testimony on telecommunications issues in local, regional and national venues. V-COMM has growing staff of over 25 engineers and professionals in its Blue Bell, PA and Cranbury, NJ offices. For more information, visit us on the World Wide Web at www.vcomm-eng.com.
