V-COMM Promotes Glynn to director of Network Services and Program Management

Blue Bell, PA, February 28, 2005 – V-COMM L.L.C., a leading telecommunications engineering company, announces the promotion of Judy Glynn to the position of Director of Network Services and Program Management. Glynn, who is based in V-COMM’s Blue Bell office, will continue supporting client relationships and new business while emerging into the enterprise and municipal market.

“Judy has been with us for nearly eight years and has managed several large-scale projects,” said Dominic C. Villecco, President of V-COMM. “She has shown remarkable leadership skills while meeting and exceeding set goals.”

Glynn is a 22-year veteran of the telecommunications industry. Prior to joining VCOMM in 1997 as a Staff Engineer, Glynn held various positions within the Competitive Local Exchange (CLEC) and Inter-Exchange Carriers (IXC) industries. Among her past achievements are switching office migrations, enterprise office relocation, and E911 service implementations.

“I am thrilled to have the opportunity to grow with V-COMM” Said Glynn. “V-COMM has given me the privilege of working with the best in our industry. I look forward to facing new challenges and being part of the V-COMM’s up-and –coming business venture.”

V-COMM, a leading provider of integrate network engineering, radio frequency engineering and business services, delivers needed expertise and cost-effective solutions for wired and wireless operators and vendors. Company executives are much sought-after expert witnesses providing testimony on telecommunications issues in local, regional, national and international venues.

V-COMM has a growing staff of over 50 engineers and professionals with offices in Cranbury, NJ and Blue Bell, PA. For more information, visit us on the World Wide Web at www.vcomm-eng.com.
