FOR IMMEDIATE RELEASE

V-COMM PROMOTES MIKE KATRA To Staff Engineer

Blue Bell, PA (February 24, 2009) – V-COMM, a leader in telecommunications engineering, has promoted Mike Katra to Staff Engineer. Having worked at V-COMM as a co-op while attending Drexel University, Mike joined the company full-time as an Associate Engineer in 2006, upon graduating with a degree in Electrical Engineering. Since that time Mike has supported a wide variety of clients and projects within the Radio Frequency department in V-COMM's Blue Bell, PA office. In addition to his continued engineering project work, Mike will now be more visible in his direct interaction with V-COMM's diverse client portfolio while continuing to expand his overall RF engineering expertise. RF engineering represents a core service for V-COMM's client roster which includes companies in the Telecommunications industry including traditional, wireless, VOIP, and cable, as well as government agencies, educational institutions and enterprise organizations. "The team here has supported my personal growth right from the beginning when I started as an intern," says Mike. "Working at V-COMM has enabled me to learn the integral steps in designing and maintaining many different wireless networks and systems."

"Mike has tackled many complicated and new technology tasks, demonstrated a client-focused approach to deliverables, and interfaces directly with many clients," says Dominic Villecco, founder and president of V-COMM. "We are excited to recognize his achievements and look forward to his continued growth in this new position."

V-COMM is a leading provider of integrated network engineering, radio frequency engineering, and business services. V-COMM delivers the needed expertise and cost-effective solutions to governmental agencies and wired and wireless operators. Company executives are much sought-after expert witnesses providing testimony on telecommunications issues in local, regional, national, and international venues. V-COMM has a growing staff of nearly 50 engineers and professionals with offices in Cranbury, NJ and Blue Bell, PA. For more information, visit us on the World Wide Web at www.vcomm-eng.com.
